INDEX

Vol. 7 Nos. 1 (Oct. 4, 1969) Through 26 (March 28, 1970)

(1st & 2nd Numbers are Commanders Digest No. &

Page No. Respectively)

This is the fourth semi-annual Commanders Digest Index and can be filed for ready reference. It is printed on yellow paper for easy location in bound volumes. Index copies are printed every six months for the benefit of our readers.

AMERICAN FORCES PRESS SERVICE

"You cannot adequately discharge your responsibilities of citizenship unless you are concerned about the sort of government we have at every level—and do something about it. You do that job by voting and getting others to vote in every election of your lives. Your vote is a decision on how your influence is to be felt in government. That decision is the fundamental expression of your American citizenship."

—DWIGHT D. EISENHOWER

COMMANDERS DIGEST INDEX
